TECHNICAL SKILLS

Languages: HTML, CSS, JavaScript, Python

Framework: Django (fundamentals)

Database: SQLite (basic)

Core Strengths: Responsive Web Design, Problem Solving, Backend Fundamentals

PROJECTS

Django Portfolio Website — Python, Django, HTML, CSS, JavaScript

Developing a database-driven personal portfolio with Django, dynamic profile content, projects, skills, resume management, admin panel and responsive front-end design.

Portfolio Website — HTML, CSS, JavaScript

Built a responsive personal portfolio with scroll animations, typewriter effect, dark/light mode and an EmailJS-powered contact form.

Weather App — JavaScript, Weather API

Built a web app that fetches weather data from a public API and presents it through a clean, responsive interface.

Django Blog — Python, Django

Built a blog application to practice Django backend fundamentals, templates and CRUD operations.
